

Autism Portage 2010 Order Form:

T-shirts, hoodies, book bags

Autism Portage is a support group, started in January 2008, to offer parents, caregivers and professionals who care for individuals with autism spectrum disorders a place to share ideas, joys and challenges.

T-shirts, hoodies and book/shopping bags are now available to spread awareness of autism spectrum disorders. Proceeds from the sale of these items go **directly to Autism Portage** for the support group and its activities, and for the maintenance of the website. The Autism Portage Support Group is grateful for your support!

The Logo:

The puzzle imagery has been used often in relation to autism. The origins of this may have been based on the mystery of autism's causes, nature, treatment etc. However, for Autism Portage the meaning behind this logo is slightly different: Individuals with autism are complete and whole beings (represented by the closed circle), who are multifaceted and complex (the multi-coloured puzzle pieces), defined by more than just a single label. The 3-word slogan reminds us that these unique individuals more than deserve our understanding, acceptance and love.
